SCHOOL SONG

*Orford High School
Oh, Orford High School.
You're the best team
I ever knew.
A team that's loyal,
Our colors royal.
Orford High School
Comes plunging through!
U-Rah*

*Orford High School
Oh, Orford High School
Keep on fighting
'Til your fame.
Hold your heads high
And see your colors fly.
There'll be a victory
For you, Orford High.*

We, the Senior Class of 1960, dedicate this edition of THE VIKING to Mr. Peder Pedersen.

It is with gratitude for your willingness to help us with our problems that we would like to say "Thank You" in this way.

Class Poem

Looking back on the last four years,
We shared some laughs, we shared some tears.
The class of "60" we bid Orford farewell.
Our friends, parents and teachers have all been swell.
Now we'd like to share with you,
What we've done, and what we'll do . . .

Tall and smart is Mary B.,
An Accountant is what she wants to be.
Dan B. is always having fun,
Whenever he's around there's usually a pun.
Jenny Lou is next in line,
Studies and horses take up her time.
Next comes Ellen, one swell gal,
She has the characteristics of a real pal.
Then there is Jerry D.
You'll usually find him where he aughtn't be.
Julie E. will become,
A registered nurse in years to come.
When it comes to basketball,
Richard Eggen knows it all.
Someday Geraldine E.,
A Beautician, she'd like to be.
Sedora E. was a dream to be seen,
As our lovely Junior Prom Queen.
Judie F. nicknamed "Fish,"
We all think she's quite a dish.
We think Sue G. is quite a girl,
Whenever she's around there's quite a whirl.
Strolling along comes Jerry G.,
A college student, he'll soon be.
Our Prom King, his royal highness,

We all think Lee G. is the finest.
Barbara Hillison, our Homecoming Queen,
Is really a picture to be seen.
Whenever it comes to Badger Girls State,
Judy Hodel won't forget that date.
Hunting and fishing, Dave's in his glory,
And never too busy to tell a story.
Connie J. plans to be a Home Ec. teacher,
At Stout next year, is where you'll reach her.
A practical nurse, plans Judy K.,
I ask you how sick can anyone stay?
When it comes to passing Math,
Karen L. is always on the right path.
Carol N. though seemingly quiet,
Can at times be a riot.
You can always tell when Randy's around,
Wherever there are girls, he can be found.
Sherri P. is the girl you'll see,
Wherever there's fun, that's where she'll be.
From Beloit High, Spike came,
Here at Orford, he'll make fame.
We also have Dale R. who's so shy and strange,
But watch out girls; someday he'll change.
When it comes to acting,
There is nothing Jackie R's lacking.
Douglas S, "Duke" by name,
Is down in Orford's football fame.
A famous musician, someday will be,
Our class President, Ronnie T.
Dennis Wenger lost his glasses,
Ask him where, all you lasses.
When we are going to cheer and yell,
Pat is there to lead us well.
Last we present John Y.,
We all think he's a very swell guy . . .

Class History

September of 1956, 33 green, unlearned, eager, freshmen entered Orfordville High School. They were Mary Bowles, Daniel Brauer, Jenny Burtness, Ellen Christenson, Gerald Duchesneau, Geraldine Eggen, Julie Eggen, Sedora Erickson, Judith Fisher, Susan Gaarder, Gerald Garde, Elmer Gosda, Gerald Grub, Patricia Henning, Jacqueline Hicks, Barbara Hillison, Judith Hodel, David Hoff, Richard Kiper, Judith Klingberg, Karen Liptow, Edward Lund, Dennis Mabie, Steven Maveus, Larry Olsen, Randall Palombi, Sharon Powers, Jacquelyn Riese, Ronald Thompson, Dennis

Wenger, John Young, Robert Young and Jeanie Oleson.

Our class officers were as follows: President—Barbara Hillison, Vice-President—Susan Gaarder, Secretary—Gerald Garde, Treasurer—Judith Hodel, and Student Council Representative—Richard Eggen. Our class advisor was Mr. Eben.

During our freshman year, we were initiated by the sophomores. We didn't like it at the time but now we look back, it wasn't too bad. A dance was held after the initiation.

Next came Homecoming. We were all very

busy building the bonfire, decorating windows, and preparing our skit. Barbara Hillison was our class representative on the Homecoming Court.

During the year we gained Patricia Wold and Betty Augustine, but lost Edward Lund, Gerald Grubb, Richard Kiper, Dennis Mabie, Jacqueline Hicks and Jeannie Oleson.

To start off the sophomore year, we had 35 little heads nodding here and there. Although we were still quite green, it was an eventful year.

Officers for it were: President — Gerald Garde, Vice-President — Randall Palombi, Secretary—Karen Liptow, Treasurer—Susan Gaarder and Student Council Representative—Barbara Hillison. Mr. Summers was our advisor.

Sedora Erickson was our representative for the Homecoming Court this year.

Our "BIG moment" came when we got our "revenge" by initiating the freshmen.

Patricia Wold was crowned Queen of the Mistletoe Ball this year with Roger Stavn as King.

During the year we gained Carol Nelson, Douglas Schultz, Arletta Graske, and Alice Ostenson. We lost Chester Disch, Arletta Graske, Betty Augustine, Patricia Henning, and Larry Olsen.

As President — Randall Palombi, led the junior class. Karen Liptow was Vice-President, Sedora Erickson was Secretary, and Gerald Garde was Treasurer. Serving on the Student Council was Barbara Hillison. Our class advisor was Mr. Smoczyk.

Our first job was decorating the gym for Homecoming to the theme of "Devoted To You." On the court was Judith Fisher from our class.

This year Susan Schoville was crowned Queen of the Mistletoe Ball in December. Ronald Sagen was King.

"Grandma's Best Years" was the name of the class play. The production was finally staged on April 24. Mr. Muenchow was the advisor. Judith Hodel played the leading role of "Grandma."

Last, came the Junior Prom on May 9, Sedora Erickson and Elmer Gosda were King and Queen of this event. Serving on the court were Karen Liptow, Susan Gaarder, Susan Schoville, Patricia Wold, and Ellen Christenson. Boys were Randall Palombi, Daniel Brauer, Ronald Thompson, Gerald Garde, and David Hoff. The theme was "Apple Blossom Time." Apple blossoms and butterflies decorated the gym, as we danced to the music of Lewis Dalvit.

Going to Badger Boys State were Gerald Garde and Richard Eggen. Judith Hodel went to Badger Girls State. Music Clinic was for Ronald Thompson.

During this year we gained Susan Schoville, Karen Steinmetz, Conrada Johnson, and Dale Reints. We lost Steven Maveus, Alice Ostenson, Karen Steinmetz, and Robert Young.

We will remember this year as winning the Baseball Trophy.

By the time of our senior year, we had really gotten the "SMARTS" and 31 of us came back to the familiar halls of O. H. S.

At the start we elected Ronald Thompson as President, Daniel Brauer as Vice-President, Patricia Wold as Secretary, and Karen Liptow as Treasurer. Student Council Representative was Gerald Garde and Mr. McGinnis was our advisor.

Homecoming came on October 8, 9 and 10 and the theme was "Autumn Leaves."

First came the skits and windows. We got a "first" on our window and a "second" on our skit. The bonfire burned brightly and the snake dance wound through town that Thursday night.

Friday night we played Blanchardville and beat them 42-0. Barbara Hillison and Randall Palombi reigned as Queen and King. Girls on the court were Patricia Wold, Julie Olson, Bonita Nordeng, and Dixie Reavis. Boys were Douglas Schultz, Donald Schmidt, Elmer Gosda, and Gerald Garde. Barbara received her roses and crown at half-time as the band played on.

Saturday night came the dance and we danced to the music of Lewis Dalvit until 1:00 a. m.

Incidentally, this was the year that we took the football trophy as co-champions with New Glarus, which was also quite an honor.

Editor of the school newspaper (THE LOG) was Barbara Hillison and her assistant was Patricia Wold. Most of the work was done in Transcription class.

THE VIKING was edited by Jacquelyn Riese, assisted by Gerald Garde. Mary Bowles headed the advertising committee as Business Manager.

In January, Susan Gaarder reigned as Queen at the Snow Ball. Former Queens (Pat and Sid) presented her with a crown and roses. On the court were Judith Hodel, Mary Bowles, Ellen Christenson, and Judith Fisher.

Many seniors held major offices this year. Douglas Schultz was president of Student Council, Karen Liptow of F. H. A., Judith Hodel of G. A. A., and Randall Palombi of F. F. A.

This was the year that Karen Liptow received an "A" at Brodhead to compete at Platteville for Forensics.

Mary Bowles was elected as DAR winner. Jerry Garde was Valedictorian and top student for all four years. Susan Gaarder won the Homemaker of the year for Betty Crocker.

Our senior class play was entitled "Scared Stiff" and was held on April 29, 1960. Mr. Muenchow was our director.

During the year we gained Sheldon Reavis, but lost Susan Schoville.

As this is "going to press," we look forward to the class trip, Baccalaureate, and graduation. It seems like only yesterday that we entered the doors as green Freshmen, and here we are to take our place in the world as adults.

Class Prophecy

Dear Mr. McGinnis:

Just a line to let you know what the class of 1960 is doing at this time.

Our Student Council President, Douglas Schultz, is currently wrestling professionally with the Barnum and Bailey Circus. One day "Duke" made the sad mistake of challenging anyone in the audience and up stepped Dennis Wenger as his worthy opponent. Half-way through the match "Duke" lost his footing and Dennis won with a "full-nelson." Actually, Dennis is a part-time horse jockey and can usually be found at the track.

Still later while traveling down the midway, I noticed a large billboard advertising the play "Romeo and Juliet" in modern satire. I could hardly believe my eyes when I noticed that the leading actor was our high school "romantic" Sheldon Reavis. It seems that, at the time, the real Juliet was ill so the fat lady had to play her part.

While watching the play, I realized that sitting next to me was Julie Eggen. I'm sure you know she is a registered nurse in New York City. Suddenly the balcony broke and the fat lady fell on poor "Spike" and Julie rushed to the stage to administer first-aid. I figured that was enough excitement for one night, so I left.

One day, while doing my house work, I was visited by Barbara Hillison. She had traveled over to Janesville from Orfordville just so we could go to dinner together. As we were eating our lunch, we noticed a familiar tow-head in the back — flipping hamburgers with one hand and washing dishes with the other. It seems Dale Reints has found his real talent.

Incidentally Barbara married an ex-grad and has four daughters as cheerleaders. I'm sure that you are familiar with all the noise they can make as they are at O. H. S.

Remember our DAR winner, Mary Bowles? She went on to school at Madison Business College and now she is head accountant at a southern air force base. I kind of think that Mary has a certain interest *still* in the air

force. At the typewriter next to her desk sits quiet little Carol Nelson. I think both girls *had* the same interest. While I was visiting with Mary and Carol, a plane came in and who walked off but Harold and his new Italian bride.

Judy Klingberg has been traveling around the world trying to find the right school in which to teach. It seems that she is seeking the perfect classroom and students.

I read in the papers the other day that John Young and Jerry Duchesneau were chased out of the gambling houses of Las Vegas. The last time they were seen they were heading towards Reno, Nevada, to stop Jerry's second, wealthy wife from getting a quick divorce.

Last summer I had the opportunity to travel to Arizona to visit Susan Gaarder who owns a large Dude Ranch.

I went by way of a jet airliner. After an exciting takeoff, things got a bit shaky as we "looped the loop" and hit several air pockets. All of a sudden the stewardess tripped and fell into my lap. I discovered, to my surprise, that she was none other than Sharon Powers. Together, we went forward to the pilot's cabin and pounded on the door. When it opened, I could well understand why we had so much trouble. At the controls were Lee Gosda and Dan Brauer. I told them to "straighten up and fly right," otherwise I was going to report them to the Civil Aeronautics Board. That seemed to do the trick and we reached Arizona in one piece.

Meeting me at the airport were Ellen Christenson and Judie Fisher, who were vacationing at Susan's ranch while looking for their certain millionaires.

Picking up our luggage was Ronnie Thompson. It seems he also runs Tim's Taxi Service and many other things in a little ghost town in Arizona. In his spare time he plays the guitar and sings in his local saloon, because he can't afford can-can girls.

After a long and tedious ride in Tim's taxi we arrived at the ranch.

Susan told us that she had hired the famous horse trainer, Jenny Burtness, to manage her stables. Geraldine Engen is also employed as chief cook and bottle washer. Geraldine claims she had enough practice washing dishes in the school cafeteria.

I could only stay a few days as I had promised Pat Wold I would come and visit her back in Orfordville. It seems the town is mushrooming with beauty salons. Sedora Erickson and Pat are trying to out-do each other in the dyeing of hair. Last month they tied for the annual beautician award for a perfect pink rinse for French poodles.

The day that Pat and I went to O. H. S. to visit, I was surprised that Connie Johnson was the Home Ec teacher and working very hard with F. H. A. Richard Eggen was head football coach in his spare time, as his duties of being superintendent of school kept him quite busy the rest of the year.

Upon leaving school we decided to pay a call on Judy Hodel at the north end of town. She had finally found her millionaire after ten years of searching. They have a beautiful new home . . . equipped with a swimming pool, of course. We found her and seven St. Bernards in the water splashing "forth and back." I felt rather sorry for Judy when John, her largest St. Bernard, dived directly onto Judy's head. It seems she developed a brain fracture.

We heard later that she was entered in the Mayo Clinic for analysis. There she was treated by the world-renowned psychiatrist, Jacque Riese.

I went there to visit Judy and while waiting in the lobby I noticed a nervous patient pacing the floor. When he turned my way, I recognized him to be Jerry Garde. He related his "tale of woe" to me about his last engineering project. It seems upon completion of building a bridge across the Atlantic, it simply folded up and sank into the ocean. Dr. Riese is trying to give him treatment so he can regain his self-confidence.

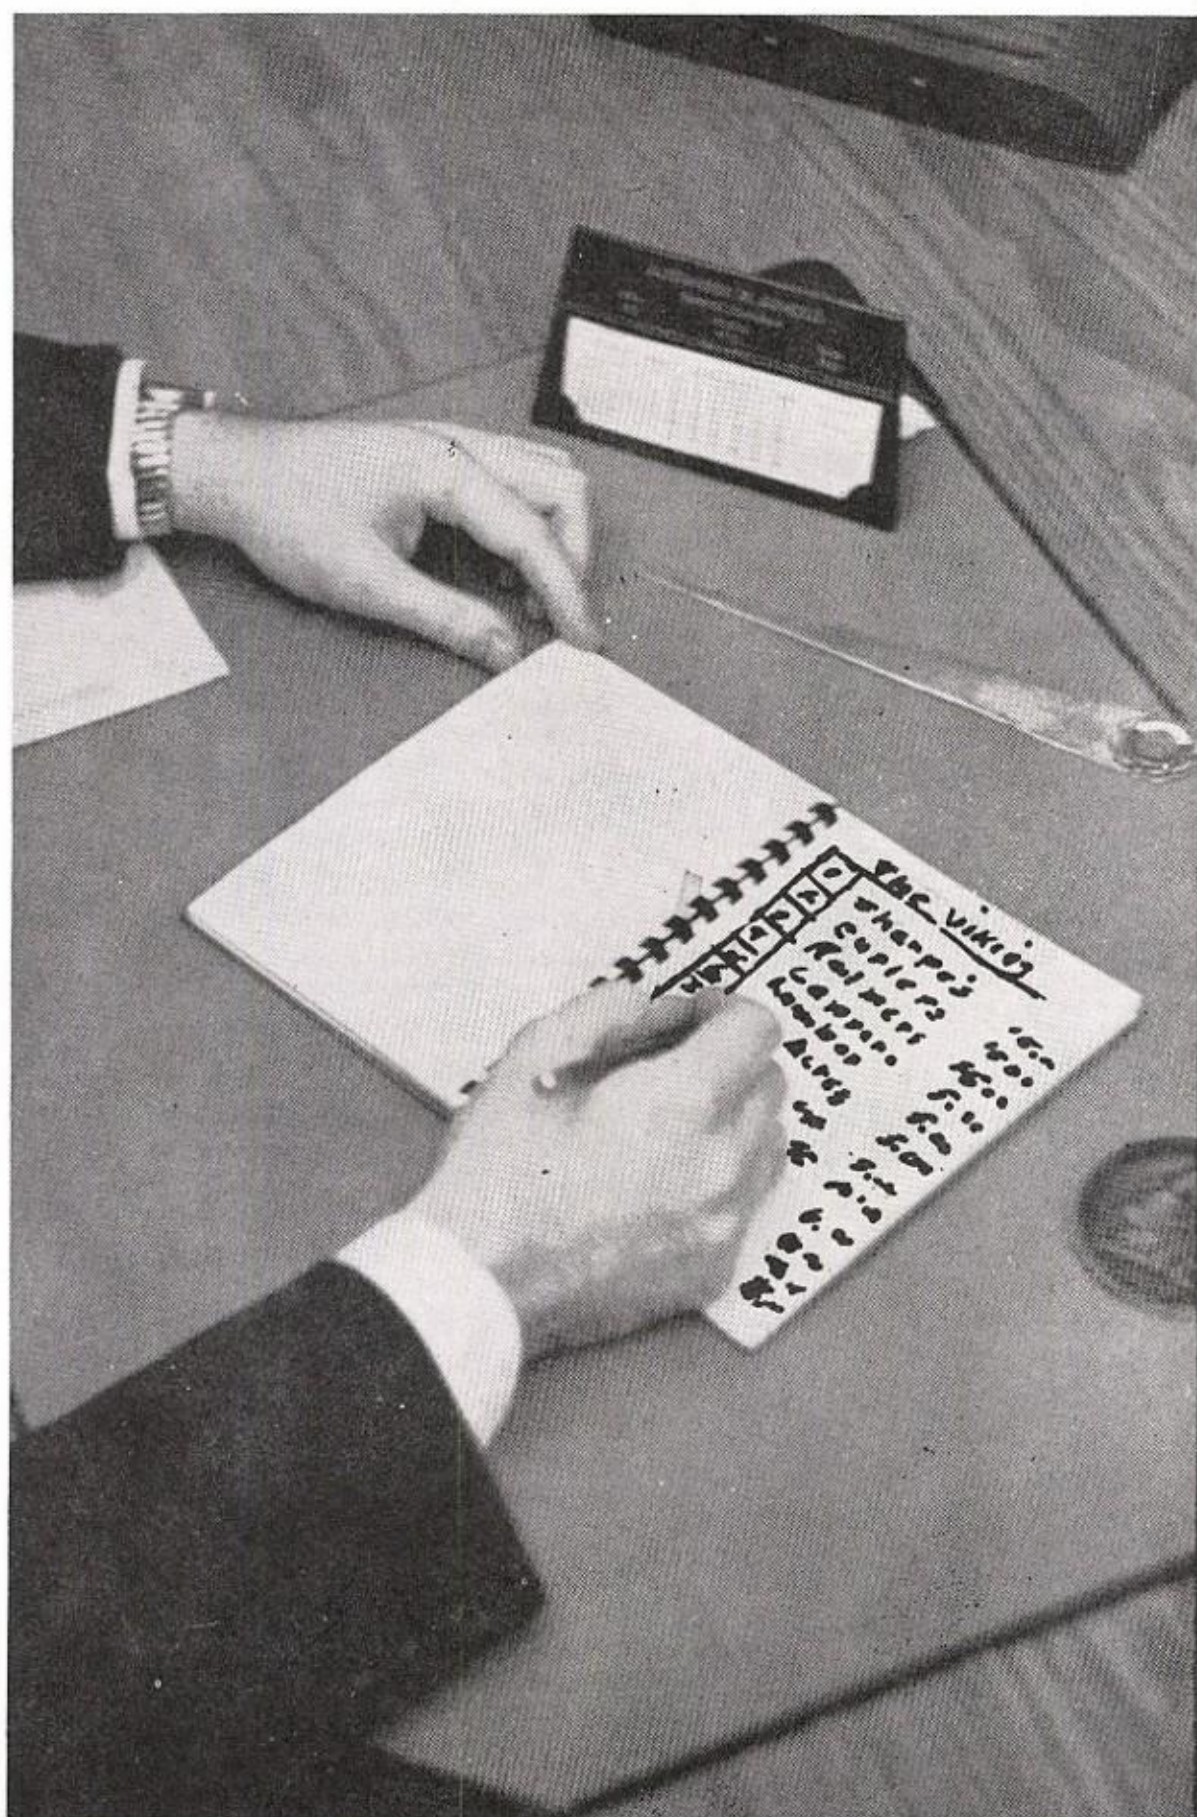

This is all I can think of for now. Incidentally, I (Karen) married a teen-age romance. He died and left me a small estate and many children to support. The children stay with their grandmother while I run a hot-dog stand on Main street in Janesville.

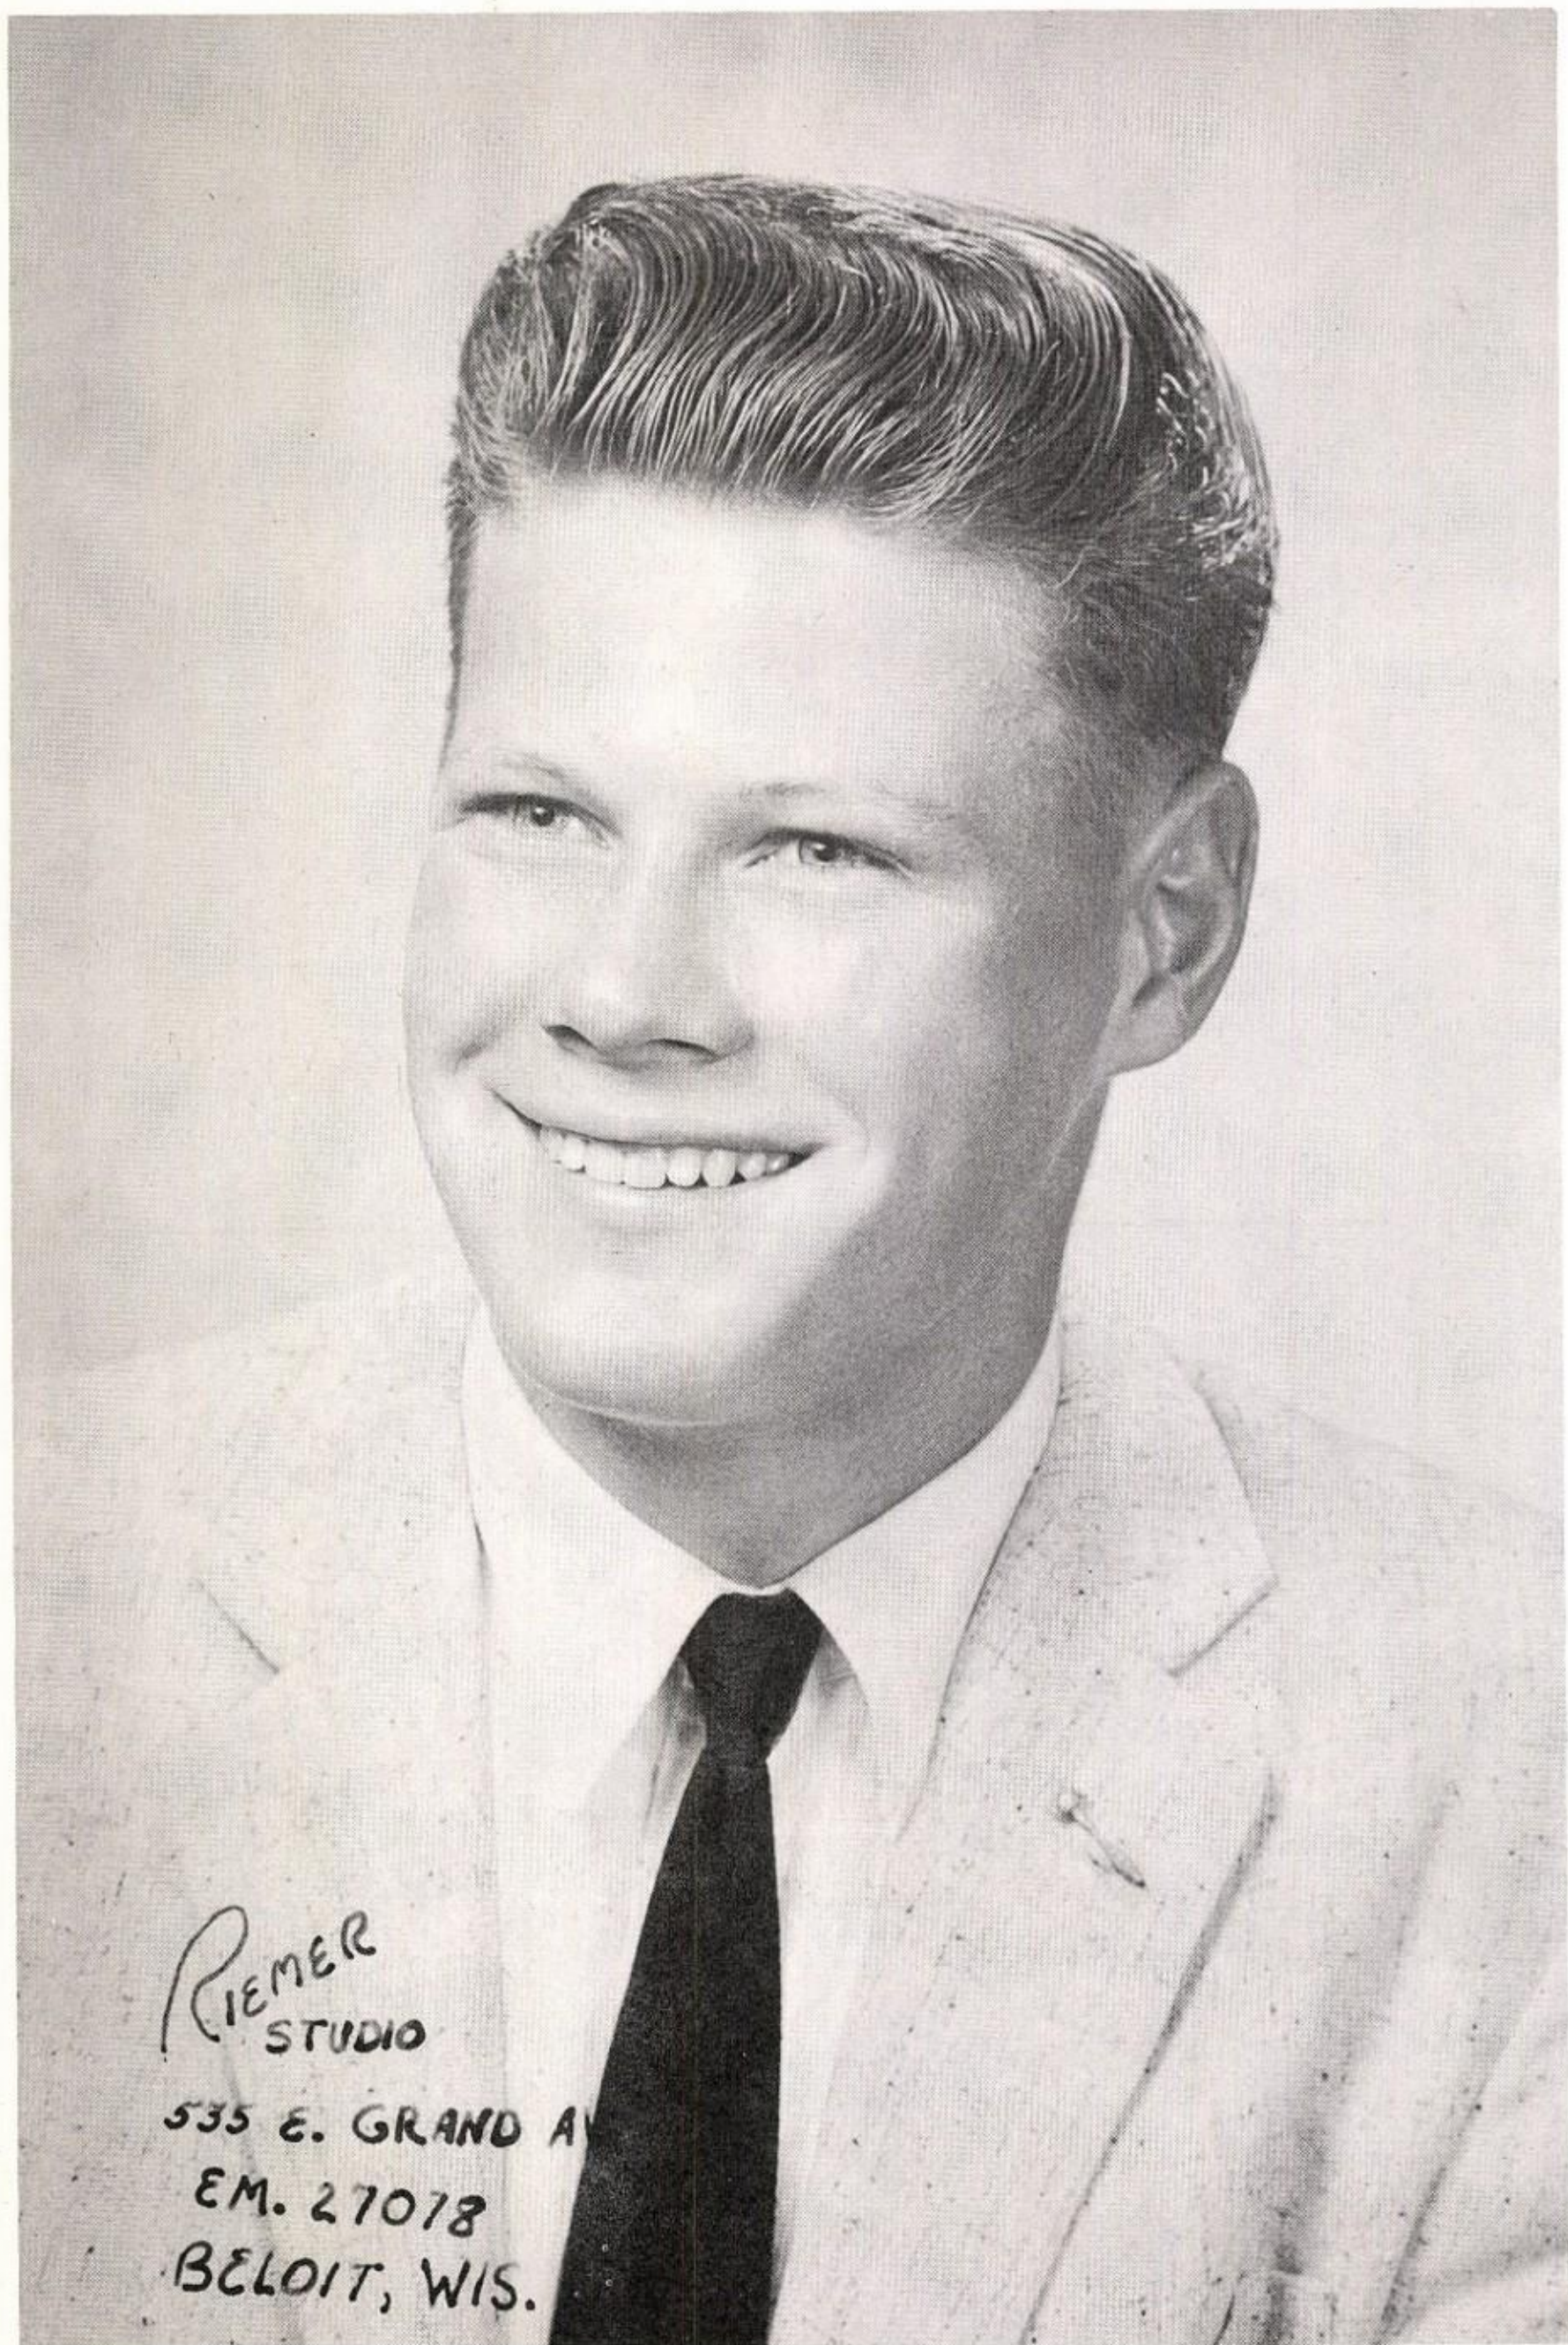

Randy Palombi had an unfortunate fatal accident while going on a fishing trip with David Hoff. They were taking a vacation from their business of Sporting Goods supplies in Magnolia. Business was "really Boomin."

Well, I think I have covered all the students in my class so I'll sign off. Dennis Wenger, Barb Hillison and Pat Wold helped me to compile all this information.

x Ellen "Christenson" Francis married to Ben Francis. Presently is a Housewife. They have 3 children: Jeffrey 13, Lynette 11, and Anita 8. They reside in Orfordville on Beloit St., where you'll see Ellen Busy with her garden, lawn and Motorcycle.

Julie "Eggen" Euper married Thomas K. Euper. Julie is a Nurse and Homemaker. Three children: T. J. 8, Karen 6, and Kathryn 10 Months. Julie would enjoy seeing all the classmates again, and if she's notified at least 8 weeks in advance she will try and make the next reunion.

x David Hoff married Bonnie Knudson. Dave is an Erector for Beloit Corporation. Bonnie's a Teachers Aid. They have two daughters: Julie 10, and Janice 8.

x Dan Brauer is an Engineer and Maintenance man for Knight Mfg. He is presently engaged -- although he says its taken quite awhile to attain his goal of finding someone like Cheryl (Hagen). Danny feels his religion would become important in his life much sooner if he had it to do over. He attributes his peace and happiness to this factor.

x Gerald Garde is married, and is a Supervisor at Beloit Corp. They have 2 boys: Jeffrey 7, and Bradley 4.

Judith A. Hodel Nelson married to John F. Nelson. Judy is a Housewife and busy watching Christopher John - 5 years old on Sept. 25th, 1975. Their vacation is scheduled at the time of the reunion, so Judy relays her greetings to the "Class of 60" and regrets that they could not be with us.

Ronald Thompson married to Mary Thompeon. Ron is an Entertainer. They have two boys, Daniel 6 1/2, and Michael 5, who are accompanying them for the summer at St. Germain Lake where Ron is booked at Thunderbird Pass. Ron would do nothing different!! They send their hello and wish us a very enjoyable reunion.

Mary Bowles Gempeler married William Gempeler; is a Homemaker. They have 1 child, Morgan Lynn who is 21 months old. Mary would have chosen the necessary courses to become a Certified Nursery school teacher, and still may yet!! Mary attended college, so she probably hasn't got far to go to attain her goal.

Judy Klingberg Prebe is a Police Aid and mother of Craig, Curt and Chris Ann. She has done a lot of traveling to various states and enjoyed her experiences with the Police Dept. handling people, dogs, robberies, etc. She would have become Beloit's First Policewoman if given an opportunity to do it all over. Pat and Ron moved to Mauston in Sept. of 1974 when Wisc. Power and Light transferred Ron. They are adjusting now that they've made new friends, but found it lonely at first. For you snow mobile buffs -- Pat says their winters are longer up there!

Judie "Fisher" Lloyd married to George Lloyd for 13 yrs. on Aug. 7th, 75. Their children are: Jodie Lynn 11, Daniel James 9, and Michelle Christine 6. Judie says its sure been a short 15 years. She might have gone to school and traveled -- but thats just if George would have waited for her!!

Sue "Gaarder" Gilbert is married to Rodney Gilbert. She is a Housewife in El Paso, Texas. They have three children: Denise 11, Jodi 10, and Craig 3. Obviously she can't skip up here too easily from Texas, so we will send a big hello back to her!!
